

STAINLESS STEEL FIRE PITS

With our custom built fire pit, you can enjoy evenings outside entertaining or gathering with family and friends by the warmth of the fire.

Let BARNES METALCRAFTERS design and build a custom fire pit for you. We design custom fire pits that are safe, beautiful, and naturally compliment your outdoor living. Take it to the beach, hunting, 4-wheeling, tailgating and enjoy it in your back yard, our craftsmen will build you a safe, functional fire pit, that you will love.
